

Sponsorship Opportunities

The **Hamilton Waterfront Trust** is a charitable organization with the mandate of connecting you to the water's edge.

In 2009 the Hamilton Waterfront Trust hosted the Hamilton Harbour Fishing Derby in partnership with many sponsors. We will be hosting the Derby once again this year and are inviting the corporate communities to participate in the 2010 program. The fishing derby will take place on August 14, 2010.

To assist in the funding of this program, we are requesting individuals/companies to sponsor in any way possible. The donor will be recognized with their name/logo on posters advertising the event and on signage at the event as well as the T-shirts worn at the event. The Hamilton Waterfront Trust will issue a tax receipt for all donations received.

Please view our website for more information at www.hamiltonwaterfront.com or contact Werner Plessl, Hamilton Waterfront Trust at 905-523-4498 ext. 22 or email wplessl@hamiltonwaterfront.com
